Every person or entity who owns a lot within the Properties shall be a member of the Corporation. However, any person or entity who holds such interest merely as security for the performance of an obligation shall not be a member. Each member of the Corporation shall be entitled to all rights and duties of membership and to one vote for each lot or living unit in which the interest requisite for membership is held; provided however, that no more than one vote shall be cast with respect to any such lot or living unit.
19. **Membership.** The Corporation shall have two classes of membership:
  - Class A membership shall include all members of the Corporation except the Owner and any successor in interest. Each Class A member of the Corporation shall be entitled to all the rights of membership and to one vote for each lot.
  - Class B membership shall include only the Owner and any successor in interest and shall be entitled to fifty-one (51)% of the votes until the last lot is sold and membership is terminated by the Owner or any successor in interest.
20. **Managing Agent.** The Owner or the Corporation may contract for the performance of any of the Corporation's rights, obligations or responsibilities with any entity or individual ("Managing Agent"). The Managing Agent shall exercise such authority which may be granted by the Owner or the Corporation. The fee charged by Managing Agent shall be a common expense of the members.
21. **Commons.** The Commons shall include all pedestrian walkways that abut two or more lots, boulevards, entry ways, drainage ways, ponds, open space, parks and any required improvements, and any detention areas as shown on any final plat of all or any portion of the Properties; provided that such final plat has been filed with the County Register of Deeds.
22. **Conveyance of Commons.** Owner shall convey any Commons to the Corporation, free from encumbrance, but subject to easements and restrictions then of record and any requirements of the City, upon approval of the final plat.

23. **Use of Commons.** Each member of the Corporation shall have the right to use and enjoy the Commons as established by the rules, regulations and requirements of the Corporation and shall have an easement upon the Commons for the use thereof, which shall be appurtenant to the interest requisite for membership.
24. **Rights in Commons.** The rights and easements of the members of the Corporation in and upon the commons shall be subject to the following:
- a. The right of the Corporation to borrow money for the purpose of improving the Commons and in aid thereof to mortgage the Commons. In the event of a default upon any such mortgage the lender shall have the right, after taking possession of the Commons, to charge admission and other fees as a condition of the continued enjoyment of any recreational facilities within Commons by the Members, and if necessary, to open such facilities to a wider public until the mortgage debt shall be satisfied, whereupon the possession of the Commons shall be returned to the Corporation and all rights of the Members hereunder shall be fully restored, provided however, that any such mortgage shall be approved by affirmative vote of fifty-one (51)% of the Members entitled to vote, present in person or by proxy, at a regular meeting of the Members or at a special meeting of the Members, provided notice of the proposed mortgage be contained in the notice of such special meeting.
  - b. The right of the Corporation to take such steps as are reasonably necessary to protect the Commons against foreclosure.
  - c. The right of the Corporation, as provided in its Articles of Incorporation and Bylaws, to suspend the enjoyment of such facilities by any member for any period not to exceed thirty (30) days for any infraction of the published rules and regulations governing the use of such facilities.
  - d. The right of the Corporation to charge reasonable admission and other fees for the use of such facilities.
  - e. The right of the Corporation to dedicate or transfer all or any part of the Commons to any public agency, authority, or utility and subject to such conditions as may be agreed to by the members, provided however, that any such dedication or transfer shall be approved by the affirmative vote of fifty-one (51)% of the members entitled to vote, present in person or by proxy, at a regular meeting of the members or at a special meeting of the members provided notice of the proposed dedication or transfer be contained in the notice of such special meeting.

Each member of the Corporation by the acceptance of a deed by which the interest requisite for membership in the Corporation is acquired, shall be deemed to covenant to maintain the Commons, which covenants by the members shall be satisfied by the payment of annual and special assessments for the administration, maintenance or improvement of the Commons. Such annual and special assessments shall be uniform as to each lot or living unit within the Wilderness Hills 1<sup>st</sup> Addition, Lincoln, Lancaster County, Nebraska. Each such assessment shall be the personal obligation of the member who is, or was, the record owner of the lot or living unit assessed at the time of such assessment, and shall bear interest at the rate of 10% per annum until paid and, when shown of record, shall be a lien upon the lot or living unit assessed.

The lien of any annual and special assessments shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the lot against which such assessment is made.

Annual and special assessments for the administration and maintenance of the Commons may be made by the Board of Directors of the Corporation. Special assessments for capital improvements may be made by the Board of Directors provided however, that any such special assessments shall have been approved by the affirmative vote of 51% of the Class Members affected and entitled to vote, present in person or by proxy, at a regular meeting of the members or at a special meeting of the members provided notice of such special assessment be contained in the notice of such special meeting.

26. **General Maintenance Obligations.** Each Member of the Corporation shall be responsible for the proper storage and disposal of all construction debris and materials associated with the construction of any improvements upon their lot. During construction on any lot, a Member shall be responsible to erect and maintain adequate erosion control measures, including silt fences, straw bales, or other measures to prevent soil runoff upon adjoining lots or streets. Lots shall be periodically mowed and loose debris and materials picked up and properly stored to prevent them from being spread and blown throughout the Properties. Each Member shall be responsible for the enforcement and monitoring of these obligations for all contractors and suppliers performing work upon their lot.
27. **Failure to Maintain.** In the event any member fails or refuses to perform any required maintenance and upkeep of any landscape screen or the general maintenance obligations, the Owner or Corporation after seven (7) days notice to the Member in default, may perform the required work or maintenance. The actual cost of performing the work or maintenance together with a ten percent (10%) administrative fee shall be the personal obligation of the Member who is or was the owner of the lot failing to perform their maintenance obligations, shall bear interest at the rate of fourteen percent (14%) per annum, and shall be a lien upon the lot assessed.
28. **Abatement of Dues and Assessments.** Notwithstanding any other provision of the Restrictive Covenants, the Board of Directors may abate all or part of the dues or assessments due in respect of any lot, and shall abate all dues and assessments due in respect of any lot during the period of such lot owned by the Owner.
29. **Additions.** Owner may add additional contiguous or adjacent real estate to the Properties or the Commons, at any time, without the consent of the Members of the Corporation. Additions shall be made by the execution and recordation of

Restrictive Covenants, provided the general standards set forth in paragraphs titled "General Standards for Dwelling Structures" and "General Standards for Improvements and Structures Other Than Dwellings" may be reduced, increased or otherwise modified within any such addition.

30. **Amendments.** These Restrictive Covenants shall run with the land and shall be binding upon and enforceable by the Owner and all persons claiming under the Owner. Owner may modify the covenants at any time prior to the sale and transfer of title of the last lot in the subdivision. Afterwards, these Restrictive Covenants may be terminated or modified in writing at any time by the owners of 51% of the lots within each class of properties. However, modification or approval for any change in the responsibility of any Class Members shall require a 51% majority of the class or classes affected. In addition, any modification or approval for any change in the maintenance responsibilities of any of the Class Members shall require approval from the City of Lincoln.

31. **Enforcement.** The enforcement of these restrictive covenants may be by proceedings at law or in equity against any person violating or attempting to violate any provision hereof. The proceedings may be to restrain the violation or to recover damages and, by the Owner or Corporation, may be to enforce any lien or obligation created here by.

The City of Lincoln, Nebraska, shall have the right to enforce by a proceeding at law or in equity all restrictions, conditions, and covenants regarding the maintenance of the Commons and private improvements. In the event the Wilderness Hills Homeowner's Association dissolves, the lot owners shall remain jointly and severally liable for the cost of maintenance of the Commons and private improvements.

32. **Severability.** The invalidation of any one of these Restrictive Covenants shall not affect the validity of the remaining provisions hereof.
